

Q: What is Baby Smarts?

A: Baby Smarts is a grant funded Home Visiting program that serves parents and guardians of children from pregnancy to age 5 .

Q: Am I eligible?

A: The family must be expecting or have a child in the home 5 years or younger & reside in one of the seven districts of the Gila River Indian Community.

Q: Will this cost me anything?

A: No, the program is funded through First Things First and is voluntary.

Q: What is a Home Visit?

A: Home visits consist of a home visitor coming to the home & promoting positive interactions between the parent & child. The HV will also provide families with developmentally appropriate activities that promote the healthy development of their children. Home Visitors also provide parent support, promote family well-being, and offer resources for families.
