

# BUILDING A TRAUMA INFORMED COMMUNITY

## Presenter:

Robert Rhoton, PhD. from the AZ Trauma Institute

## Participants will learn how to:

- Develop awareness of their role in interacting with individuals with trauma and the self-awareness of their own possible trauma.
- *Identify and explore* the role of the environment as a priority for intervention.
- Develop skills around the modeling and practicing of emotional regulation, safety, and predictability within the context of the philosophy of healing.

**Date:**  
Thursday February 9, 2017

**Time:**  
9:00 am- 4:00 pm

**Who Should Attend:**  
All who live and/or work in the Gila River Indian Community are welcomed and encouraged to attend.

**Place:**  
Sacaton Head Start Multipurpose Bldg.  
(1 hour lunchtime, lunch will be provided)

This training is sponsored by Tobacco Tax funding through the Gila River Health Care BHS Prevention Program.
