

Post-Traumatic Stress Disorder Awareness Fair

Where: Governance Center

525 West Gu U Ki
Sacaton, AZ 85147

Time: 9 am – 1 pm

Date: June 27th, 2017

Post-Traumatic Stress Disorder (PTSD)
A mental health problem that can occur after someone goes through a traumatic event like war, assault, or disaster.

PTSD Awareness Day

June 27th is the nation's official day to focus attention on post-traumatic stress disorder. If you know someone that is experiencing PTSD, let them know there's hope and treatment options.

- LEARN more about PTSD
- CONNECT with resources
- SHARE your experiences

For any questions or concerns, please call AmeriCorps main office – (520) 562-6221
