

Important Pharmacy Notice:

To Our Valued Patients:

Please accept our apology for your wait time.

We want you to know that if there are multiple prescriptions that we need to fill for you during your visit, it will take additional time to prepare them.

To support our homebound and elderly Community members, we offer prescription refill delivery from our Public Health Nursing Department Monday through Friday (excluding holidays). Please allow 24 hours after the request for delivery to your home.

You may contact Public Health Nursing at: (520) 550-6479

We thank you in advance for the opportunity to serve you and for your patience.
