DATE: March 12, 2020

TO: Residents, Family Members & Visitors – The Caring House

FROM: The Caring House Administrative Offices

SUBJECT: Suspension of TCH Visitation – Coronavirus (COVID-19)

Gila River Health Care joins GRIC and all healthcare organizations in efforts to contain and mitigate the spread of the virus while keeping our employees informed. The global respiratory disease known as Coronavirus (COVID-19) is rapidly evolving and expanding and additional measures are necessary to mitigate the spread of the virus.

IMPORTANT NOTICE: At this time, ALL visitation to The Caring House is suspended.

Older people and people of all ages with severe underlying health conditions – like heart disease, lung disease, and diabetes, for example – seem to be at higher risk of developing serious COVID-19 illness. Given this, we will not allow visitation.

We strongly advise families to use alternative methods for visitation (e.g. video conferencing, social media, and phone calls) during the next several months.

We appreciate your help to ensure the well-being of our Residents is kept top of mind. If you have any questions regarding visitation restrictions, contact The Caring House at (520) 562-7400 (Monday – Friday: 6 a.m. – 8 p.m/Saturday & Sunday 6 a.m. -6:30 p.m). To reach us after hours, Nursing Staff will dial x5300 on the PA.

For more information, visit GRHC.ORG/Coronavirus or call the GRHC COVID-19 Hotline at (520) 550-6070.
