

THINGS TO KNOW & SHARE!

Week of: 6/6/2022

1

GRIC COVID Cases and Reinfections on the Rise

Please remember to practice COVID protocols and preventative measures while at small family gatherings and while eating and sharing meals. Individuals should remain home and isolate if experiencing any symptoms, even if they have allergy symptoms. Individual should immediately test with a licensed healthcare entity.

2

Vaccine Encouragement

ARE YOU UP-TO-DATE ON YOUR SHOTS? Up-to-date means a person has received all recommended COVID vaccines including any booster dose(s) when eligible.

GET YOUR SHOT TODAY! Boosters restore vaccine protection lost against COVID variants.

3

Family Gatherings

If you are planning to host an event, it is the responsibility of the host and the attendees of a gathering to abide by all safety prevention measures to help keep COVID cases low and keep it safe for everyone. If you are planning to gather or host an event that exceeds the 50 person indoor gathering limit, you are required to request approval prior to doing so. Please scan QR code to review the requirements and process. We thank you in advance for adhering to these guidelines to protect our Community.
