

# IMPORTANT ***PATIENT NOTICE***

October 6, 2022

## **MASKS REQUIRED AT GRHC FACILITIES AND AT GRHC SPONSORED EVENTS**

The Amended Comprehensive Gila River Indian Community (GRIC) Executive Order #16 (released 10/6/2022) removes the mask mandate and does not require mask wearing within the Community, GRIC government buildings or on school campuses.

However, consistent with guidelines provided by the Centers for Disease Control (CDC) for healthcare facilities, Gila River Health Care will maintain our policy that masks are required for all individuals at our facilities and when attending any of our hosted events. There is a higher risk of exposure on our campuses and we are committed to ensuring a safe environment for our patients and staff.

Go to [GRHC.ORG/HUB](https://www.grhc.org/hub) or call Primary Care (602) 528-1482 to learn about the many ways you can receive a vaccine or be seen by a medical provider.
