

Training

Training Objectives:

- To recognize warning signs of those who may have thoughts of suicide.
- Apply the TALK steps (*TELL, ASK, LISTEN, and KEEPSAFE*) to connect a person with thoughts of suicide to a 'suicide first-aid intervention caregiver.'

Important Training Information:

- This is a **FREE** half-day training for Gila River Indian Community and to those who serve GRIC.
- All trainings register a minimum of 6 people.
- Participants are expected to be **ON TIME** and **ATTEND** the entire half-day training.
- Participants are asked to be respectful of others & limit use of all electronics during training.
- This training is designed for non-mental health professionals. It is an introductory training.
- Registration and resource booklets are provided.
- **Must be 15 years or older.** (Minors under 18 years require parent/guardian permission slip)

**Gila River Health Care BHS Prevention Program promotes a suicide-safer community.
This training is supported by the Gila River Prevention Coalition*
