

Hau'pal (Red Tail Hawk) Health Center **NOW OPEN**

An abundance of “firsts” occurred at the opening of Hau'pal (Red Tail Hawk) Health Center on August 1st!

First patient seen at 7:30 am

First prescription filled at 8:47 am

First patient transported at 9:05am by GRHC Non-emergent Medical Transportation Services.

August 1st marked the beginning of GRHC's delivery of tribal health care services provided within the urban fringe of Maricopa County. Over 300 people among them GRIC elders, members and the leadership, together with the GRHC Board and Executive Leadership Team shared in the excitement. The opening of Hau'pal Health Center yielded the presence of Indian Health Services, among them, the top IHS official, Michael D. Weahkee, (RADM) Acting Director.

If GRHC employees have questions about patient eligibility or operations at Hau'pal Health Center, please send them to: RUNNER@GRHC.ORG
