CONSTRUCTION UPDATE

NORTHEAST EXPANSION (NOREX) HU HU KAM MEORIAL HOSPITAL

Estimated Project Date Of Completion: March 31, 2021

This project is a two-story, 52,250 square foot expansion to the existing Hu Hu Kam Memorial Hospital building previously occupied by Dental, Transportation, and the Office of Safety and Emergency Management. Demolition of these two buildings is complete, and construction began with the pouring of a new slab with a two-story steel structure to include a new elevator. It expanded patient and office space to be completed by March 31, 2021. Purchased Referred Care and Podiatry will be housed on the 1st floor. Women's Health and Administrative Services will be housed on the 2nd floor.

CONSTRUCTION UPDATE

EMERGENCY MEDICAL SERVICES (EMS) STATIONHOUSE - DISTRICT 7

Estimated Project Date Of Completion: October 31, 2021

The new EMS stationhouse will consist of a 4,250 square foot, one-story, five-bedroom, two ambulance drive-thru garages, administrative office area, kitchen, patio, and a main staff group room.

A temporary EMS station will be created inside the D7 Service Center until the new building is complete.

To be located next to District 7 Service Center

HU HU KAM MEMORIAL HOSPITAL PHYSICAL THERAPY EXPANSION & NEW THERAPY POOL

Estimated Project Date Of Completion: December 31, 2021

A remodel of the existing 6,025 square foot area and an additional 4,025 square foot addition to Physical Therapy is currently in the bidding phase. Once construction is complete, patient treatment space will be increased by 40%. The newly renovated patient treatment areas will include new restrooms/showers and a new physical therapy area and pool expansion.

East-facing entrance located near the Life Center
