

# New Patient Portal Available Now!

**The new portal is a secure place for you to access your healthcare information and engage with your medical provider team.**

Here are some new features you will experience in the new Patient Portal (by Intelichart):

- Secure communication between you and your Care Team at Gila River Health Care
- Increased access to your records and test results
- Access to your clinic visit records, as well as your Emergency Department and Inpatient records
- Additional features to come in future phases!

## SET UP YOUR NEW PATIENT PORTAL TODAY!

Visit any of the Gila River Health Care facilities below and ask for a representative from Health Information Management (HIM).

- Hu Hu Kam Memorial Hospital
- Komatke Health Center
- Hau'pal (Red Tail Hawk) Health Center

Should you have any questions, please call the **Health Information Management Office** at **(602) 528-1399**, **(602) 528-1332** or email [PatientPortal@grhc.org](mailto:PatientPortal@grhc.org)
