The Clinical Laboratories of Hu Hu Kam Memorial Hospital (HHKMH) and the Komatke Health Center (KHC) provide practitioners and patients with laboratory services of the highest standards, consistent with the goals and mission of GRHC and the Community. The laboratory offers a complete spectrum of tests using up-to-date analytical equipment. Most tests are completed in house; an outside laboratory handles those that are not. Current computer technology is used to monitor tests and report results. The laboratory has an extensive internal quality control program, in addition to participating in proficiency testing programs. The laboratories are accredited by The Joint Commission (TJC) and certified under the Clinical Laboratory Improvement Act (CLIA 1988).
